

FALL 2004

there's an exciting new retail complex coming to colman dock!

LMN ARCHITECTS

Construction to provide new retail services is scheduled to begin May 3rd. Completion is scheduled for October 2004. Washington State Ferries does not anticipate any disruptions in service during construction. Please be prepared for the standard ingredients of any remodeling project - noise and dust! Passengers may be rerouted as they move through the terminal. We apologize in advance for any inconvenience and look forward to a new look and new services.

For more information about the Colman Dock Interim Retail project, please contact Brian Volkert, Business Development Manager at 206.515.3631.
